EXAMINER INTERVIEW SUMMARY

MS Issue Fee  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

On January 19, 2006, a telephone interview was conducted regarding application 09/740,103 between Primary Patent Examiner Alonzo Chambliss of the United States Patent and Trademark Office and Applicant's attorneys Ann McCrackin and Robert Madden.

In that interview, Examiner Chambliss and Applicant's attorneys discussed the claims and Fig. 1a of the above referenced application in view of issued U.S. Patent Number 6,414,248 B1 (the '248 patent"). Following the discussion and in a follow-up call on the same day, Examiner Chambliss indicated that the claims did not read on the '248 patent, that he would proceed with the issuance of a Notice of Allowance. In a later follow-up call, Examiner Chambliss indicated he would perform an additional Examiner's Amendment as part of the Notice of Allowance in order to change the dependency of claims 25, 27, and 31. Applicant's representatives agreed to the proposed changes, with an additional change being made to claim 25 to correct an antecedent basis issue related to the change in the dependency of claim 25.

Respectfully submitted,

ERIK W. JENSEN
